

ASSEMBLY BILL

No. 2737

Introduced by Assembly Member Bonta

February 19, 2016

An act to amend Section 32001 of the Health and Safety Code, relating to health care districts.

LEGISLATIVE COUNSEL'S DIGEST

AB 2737, as introduced, Bonta. Local health care districts: formation.

Existing law, the Local Health Care District Law, regulates local health care districts and authorizes the health care districts to exercise specified powers, including purchasing and using property for the benefit of the district and exercising the power of eminent domain to acquire real or personal property necessary to the exercise of the district's powers. Existing law authorizes a district to include incorporated or unincorporated territory, or both, or territory in one or more counties, subject to specified limitations.

This bill would make technical, nonsubstantive changes to those provisions.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:
